CIRS Goes Exclusive for Ultrasound in Italy

April 24, 2020 (Norfolk, Va), CIRS, Computerized Imaging Reference Systems, Inc., has signed an Exclusive Agreement with ELSE Solutions srl for the sale of CIRS Ultrasound products within Italy.

ELSE, located in Italy and founded in 1990, has long-standing experience in producing and supplying equipment and services in the medical and industrial field. The company is organized into dedicated divisions with a highly qualified staff in nuclear medicine, radiotherapy, radiodiagnostics and radioprotection.

Their recent expansion into Ultrasound now affords ELSE the opportunity to expand their product offering. "We are very happy to have ELSE now representing CIRS Ultrasound products exclusively in Italy", states Roy Lowe, Corporate Sales Manager. "This partnership has developed over the years and we now have a strong presence throughout Italy".

ELSE Solutions srl is located:
